### Granny's Stuffing

Granny used very few ingredients.  
She never put the stuffing into the  
turkey as she said it got too moist.

- 1 loaf (5)? loaves bread (cheap white)  
Cut off crusts and let get  
somewhat stale. We use to  
pull the bread apart.
- 1 lb onions celery (bunch)?
- ~ 1/2 bunch celery onion (5 lb)?
- 6-8 oz mushrooms mushrooms (1 lb)?
- 1 1/2 sticks butter poultry seasoning 3 T. ?  
or to taste
- or to taste salt & pepper to taste
- butter (1 1/2 lb)?

Cook celery & onion in butter  
till almost done. Add mushrooms &  
cook till done.

Add seasonings - Use alot  
Add bread. If not enough  
liquid add more butter or moisture  
with some turkey broth.  
Heat covered tightly with foil or D.B.
